This filing is in response to the RFAI dated September 10, 2015. The beginning balances now accurate and reflect the correction of a report that was dated prior to this one that had a balance change. This action also corrected the totals listed on the summary lines of the report. The party follows a set procedure for determining occupation and employer information and the correct information has been inserted into this report. Additional information was included on the itemized disbursement to clarify that the consulting was for political/strategic purposes. The expenses disclosed on form H4 have all been administrative in nature. The total year to balance total of \$681,119.23 is accurate and matches what is shown on the summary line 21A federal share/non-federal share. The committee has reviewed what lines expenditures/contributions are being disclosed on for compliance purposes.
